

Addendum to the Procedure for the Evaluation of Faculty and Library Faculty

Acknowledging that the promotional procedure for Library Faculty at Stockton University is currently governed by Article XVII.B in the 2023-2027 Master Agreement, this addendum serves to establish a locally negotiated agreement on certain aspects of Promotion for Librarians included in Article XVII.B.2 and XVII.B.3.

Effective immediately, Librarians may apply for promotions based on professional growth annually, with the promotion and Personnel Committee process and deadlines automatically posted in the Personnel Actions Calendar.

In 2024-2025, the opportunity for Librarian promotions based on professional growth will be added to the Personnel Actions Calendar in alignment with the timeline for Librarian Range Adjustments to ensure an opportunity to apply is provided.

In future years, the promotion and library personnel committee process may be adjusted in the Personnel Actions Calendar, following the normal practice of the Provost Office drafting and sharing the initial dates with the Union, and the Union providing timely feedback.

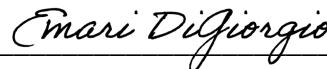

IN WITNESS THEREOF, the University and the Stockton Federation of Teachers have caused this Memorandum of Agreement to be executed this October 8, 2024.
