DRAFT Guiding Principles (you tell us what you value more or instead!)

**Retain faculty
autonomy &
interdisciplinary
learning
opportunities for
students**

**Create a system that
works better for our
students & ourselves
& for continuous
improvement**

Goals

**Recognize
& build on**

our work together

**Move
forward**

**to affirm what we want
Stockton students to learn**

Determine

**how to best offer students
those learning opportunities**

Provide input today at our later session

LIVE POLLS

DISCUSSION

Planned phases

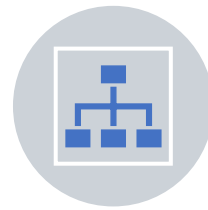

Prologue:
guiding
principles

Phase 1:
vision/out
comes

Phase 2:
proposal &
assessment

Phase 3:
curricular
structure

Phase 4:
administrative
requirements

Change is inevitable.
Transformation occurs
regardless of our actions,
inactions, or desires.

Thus, with **joy & good intentions** for **our students & ourselves** we're moving from discussions about problems & possibilities to **priorities & design.**
