WHAT IT MEANS TO PARTNER WITH US

Coaching Meetings

We want to get to know you and build a strong connection between our courses and degree program. During these meetings, we will review curriculum, classroom experiences, and areas of opportunity for us to grow.

Site Visits

What a great way to build excitement! Site visits provide Stockton Faculty a chance to interact with you and your students! From exploring pedagogical strategies to sharing our experiences with students too.

Access to Events

We are an active program at Stockton University. We host several events throughout the year that we hope you will participate. This provides a chance for you and your students to engage with current students in the degree program at Stockton, industry experts, and program Faculty.
