With between 45 and 60 credits (you have $\{e://Field/Overall_Credits_Earned\}$ credits) and all of the above prerequisites completed, you can apply to Clinical Experience, the 50 hour fieldwork semester. Deadlines:

- October 1 for the spring 2024 semester.
- March 1 for the summer 2024 semester.
- June 1 for the fall 2024 semester.

Please note that when beginning fieldwork, you may NOT arrange your own placement. Doing so is against program policy and will jeopardize your completion.

Enter the advice from your preceptor on basic skills requirements and additional prerequisites below. An email copy of this advice will go to you and to your preceptor in case they would like to use that email to summarize in your Degree Works.

NOTE: If you begin Clinical Experience AFTER Summer 2025, you will have additional coursework that is not currently showing on Degree Works. NJDOE code will force new requirements that you should discuss with your Preceptor.
