

## Introduction

Dear \${e://Field/RecipientFirstName},

Please ONLY complete this form while you are talking with your preceptor. The completed document will be emailed to you and to your preceptor, Professor \${e://Field/Preceptor}, to verify that you participated together.

Your preceptor will ask you to read some information on the screen to compare it with information in Degree Works, and request updates, if needed. Please be sure to read back all advice your preceptor asks you to type in this form to be sure you've heard it correctly.

Please remember to ask Professor \${e://Field/Preceptor} before you click the blue button at the bottom of the screen to be sure you're both ready to continue.

### Additional Choices

#### Additional Certificates:

We strongly recommend that graduates consider applying for more than one certification to increase your marketability. The content courses you've taken for Middle School will last a lifetime, and you have one year from graduation to pass additional Praxis II exams and still have Stockton recommend you.
