Important Note: Even if you have previously had access to Creative Cloud (CC), you still need to submit this request form annually to continue using Adobe products.

Adobe CC licenses are negotiated as part of the university's three-year Enterprise Term License Agreement (ETLA). The term of the current agreement is 11/17/2024 – 11/16/2027.

The cost of an annual license for FY25 is \$170.85. *Adobe CC can be installed on as many devices as you wish, but only two of them can be activated at any given time.

Please enter the full name of the licensee(s) below. Multiple individuals may be combined on one form if using the same Fund-Organization-Account-Program (FOAP).

Completed forms must be emailed to <u>Budget@Stockton.edu</u>, <u>Helpdesk@Stockton.edu</u>, and <u>Karen.James@Stockto.edu</u>. <u>Budget Unit Mangers (B.U.M.s) must also be copied for approval.</u>

Once the budget transfer process is complete, IT Services Help Desk personnel will either assign a NEW CC named user license or RENEW a current license.
