Galloway Township, NJ - Classes begin **Tuesday, Feb. 17** for online Microsoft Certified Solutions Associate Certificate preparation programs from The Richard Stockton College of New Jersey's School of Graduate and Continuing Studies.

Stockton's MCSA preparation program will provide students with the knowledge and skills necessary to take the Microsoft certification exams. Please be sure to check the prerequisites for each course.

Three courses, offered online at night for greatest flexibility, are perfect for recently displaced workers or anyone who wants to take their Information Technology skills to the next level. The courses run on Tuesdays and Thursdays from **Feb. 17 – May 28**.

Each course is $999, or register for all three classes at one time for a discounted rate of $2,695. Payment plans are available.
